This is to certify that

Rishabh Thakur

has successfully completed the certification requirements for

3D Print Technology

3D Print Technology

CERTIFIED

Edson K. Barton
Chief Executive Officer

Date Issued:
Apr 30, 2026

3D Print Technology

Issued to: Rishabh Thakur

Date issued: 4/30/2026

Certified Industry Skills and Knowledge

This certification verifies the candidate has successfully achieved the following industry competencies:

Students will understand different types of 3D printing technology and the
components of those technologies. NOTE: Objectives 1 - 2 could be hands-on and
Objectives 3 - 5 could be lecture based.

Students will understand how to use the hardware and software involved with 3D
Printing.

Students will understand and be able to maintain a 3D printer, including
assembly and troubleshooting.

Students will understand how to efficiently design 3D models for printing.

Students will explore what industries and groups are using 3D Printing currently
and what areas it is growing in.
